 - 2025 Year end memberships totaled 109. We had 17 non-renewals, 94 renewals, 9 new memberships, with a current total of 103. The non-renewals were mostly those who did not play.
 - New members include: Amy Koehler, Lisa Merrifield, Jane Durand, Kelly Hong, Mary Mobly, Chris Hardy, Luanne Lea, Paula Williams, & Rose Marie Strike
 - The Handicap Committee Members are: Jeannie Dew, Lynn Gettman, Shary Koch
 - Updated requirements from the AGA include:
 - Providing education regularly at quarterly meetings, through email, etc.
 - We are required to run and review the AGA Handicap Report 2x year. This evaluates everyone's handicap index and makes recommendations for adding or subtracting points to that index. Calculations are based on the most recent 20 scores recorded, regardless of the age of the score. Home course scores may be very consistent while away scores may adversely effect your index creating an unfair advantage or disadvantage to your league play. Also, time away from golf may temporarily change your index which then returns to your normal/historic prior to your index catching up.
 - The AGA report was reviewed January 9th. No changes were made. The next report will be run May 1st prior to tournament play – recommended changes will be made with notification to those individual golfers. The last report will be made at the end of December.
 - PLEASE POST YOUR NON-LEAGUE SCORES THE DAY OF PLAY. Weather and variable conditions can make a difference to the Handicap Index recommendations.
 - 9 holes are able to be posted if they are official handicapped holes, front or back.
